INFORMAZIONE AL PUBBLICO

CERTIFICATES OF ORIGIN – PRINT ON WHITE PAPER

We hereby inform you that as of 1 January 2024 the printing mode on FORMS at the company can be no longer used.

Certificates of origin will be printed on WHITE PAPER, which will become the ordinary issuing procedure.

It should be noted that the certificate is identified by its code C23XXXXXXXX, verifiable via the website <http://certificates.iccwbo.org> of the International Federation of Chambers of Commerce, and also in the national database <https://co.camcom.infocamere.it>.

The certificate can be digitally transmitted to the final recipient without the need to print it.
